Camp Questions

The Chicago Sky are going through camp without third-year center Sylvia Fowles and second-year guard Kristi Toliver, and two draft picks in Courtney Paris (dispersal draft) and Epiphanny Prince still overseas. The Sky brought in four free agents to fill out the training camp roster. It will be interesting to see how Sandora Irvin, Kristi Cirone, Sami Whitcomb and Larissa Williams do in camp.

Deep Down Low

The Sky is deep in the post. With at five players in camp already vying for spots in the paint, its sure to be a good competition to see how earns their roster spot.

Experience on the Perimeter

WNBA All-Star Jia Perkins and newly re-signed Dominique Canty are headed into their fourth year together as the main components of the Sky back court. To say they're familiar with one another is an understatement. Erin Thorn is also a veteran presence on the Sky's perimeter. The experience the Sky have at the guard position should provide a solid basis in 2010.
